WareKart Logistics & Supply Co.

Refund & Return Policy

Version: 1.0
Effective Date: 24 April 2024

1. About the Policy

AeroCart Logistics & Supply Co. is committed to providing reliable logistics and supply solutions to its business clients. This policy outlines the general terms under which returns and refunds may be considered for products supplied by the company.

2. Scope

This policy applies to all standard product orders placed with AeroCart, including warehouse equipment, material handling products, and logistics supplies.

3. Bulk Orders

Due to the nature of bulk procurement and logistics operations, **all bulk orders are considered final once delivered**.

Orders placed in large quantities involve advance inventory allocation and transportation planning; therefore, **refunds or cancellations are not permitted after delivery has been completed**.

Clients are advised to confirm order quantities and specifications carefully before finalizing purchases.

4. Custom Orders

Custom or made-to-order products are strictly **non-refundable and non-cancellable**, as they are manufactured based on specific client requirements and cannot be resold.

5. Damaged or Defective Goods

AeroCart will consider claims for damaged or defective goods under the following conditions:

- Damage must be reported within **3 days of delivery**
- Claims must include basic proof such as images of the damaged product

Upon review, AeroCart may offer a replacement where deemed appropriate. Refunds are generally not issued for such cases.

6. Return Conditions

Returns are not accepted for standard bulk orders unless explicitly approved by management under exceptional circumstances.

Any approved return must ensure that goods are unused and in original condition.

7. Refund Processing

Where refunds are exceptionally approved, processing timelines may vary and are subject to internal review procedures.

8. Policy Interpretation

In case of any ambiguity, WareKart reserves the right to interpret and apply this policy at its sole discretion.

9. Amendments

WareKart reserves the right to modify this policy at any time. Clients are encouraged to stay informed of the latest updates.
